Ambassador Ron Kirk  
U.S. Trade Representative  
600 17th Street NW  
Washington, DC 20508

Dear Ambassador Kirk:

Congratulations on your WTO victory regarding Chinese restrictions on the importation of creative content such as books and movies. This is a much needed decision to begin curtailing that country's unlawful trade practices.

We appreciate your stated commitment to enforcement. Actions mean more than words, and the actions of your Office thus far give us confidence in your words on the enforcement issue.

The Coalition for a Prosperous America respectfully requests that your office additionally engages the issues of currency misalignment and foreign value added taxes. These items are very important problems giving rise to our trade deficit. We favor free and fair trade, and work hard for policy change to guarantee our trading partners also engage in free and fair trade.

Thank you for your efforts.

Respectfully,

Brian O'Shaughnessy  
Chief Co-Chair,  
Manufacturing Co-Chair

Joe Logan  
Agriculture Co-Chair

Robert Baugh
